

St James' CE VA Primary School

Sports Premium Funding: Impact review 2023/2024

Academic year	2023/2024
Total funding	£17,700
Total spent	£17,997
Carry forward	£0

Indicator 1: The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.

Intent	Implementation	Cost	Impact	Sustainability/next steps
Weekly after school sports clubs	<ul style="list-style-type: none"> SSP sports coach delivering sessions including a range of sports with varying skills. Teachers at the school running an after school football club for all of KS2. 	Part of SSP membership package costing £3780	<p>All children had equal opportunity to be a part of an active after school club.</p> <p>All after school clubs were free of charge to the children and were offered first to children who would benefit the most.</p> <p>Sportsmanship was at the forefront of many of the sports clubs which helped prepare them for competitive sports in the future, as well as independently playing sports fairly at break and lunch times.</p> <p>Specific skills taught relating to individual parts of the game.</p>	<p>Continue with SSP after school sports clubs as part of new SSP membership offer.</p> <p>Teachers have agreed to continue with football club and aim to organise competitive fixtures in the future.</p> <p>Clubs other than football to be offered to children such as netball.</p> <p>Sports clubs for KS1 children.</p>

<p>Development of student/sports leaders</p>	<ul style="list-style-type: none"> • Opportunities for children to lead lunch time clubs and sports clubs. • Young leaders training for Y5 children. 	<p>(SSP Membership)</p>	<p>Sports leaders develop their confidence physically as well as socially, being able to lead other children.</p> <p>Sports leaders develop their own understanding of sport and exercise through their teaching of others.</p> <p>Children being taught by sports leaders are seen to develop confidence working with older children in the school and develop healthy relationships that may not usually occur.</p> <p>All children involved develop greater understanding of sportsmanship and fair play.</p>	<p>Greater and more regimented opportunity for young leaders to run active clubs at lunch time.</p> <p>Sports leaders to be the children who run their own sports clubs at lunch times supervised by an adult. More opportunity needed for this in summer term.</p>
<p>Timetabled 'daily dash' sessions across all of KS1 and KS2</p>	<ul style="list-style-type: none"> • Each class across the school given a 15-minute slot in the afternoon to complete a daily dash outside. 	<p>-</p>	<p>Every child is encouraged to be more active by moving around outside every afternoon for around 10 minutes during the daily dash. This is additional to PE lessons, break time and lunch time.</p> <p>Getting up and outside in the afternoon also benefits concentration levels in the classroom in the afternoon.</p>	<p>Daily dash sessions to continue going into the next academic year.</p>
<p>Encouragement of active travel to and from school</p>	<ul style="list-style-type: none"> • All classes complete travel tracker chart every day when they come into school. Badges may be obtained for consistent active journeys. • Whole school participation in active 		<p>Contributes to daily 60 minutes of physical activity if children are travelling actively to and from school.</p> <p>Bikeability and Scootability did not take place in school this year.</p>	<p>Continue use of travel tracker and engagement with active travel weeks.</p> <p>Bikeability (KS2) to be a priority booking for next academic year.</p>

	travel weeks such as walk to school week and the big walk and wheel.			
Encouragement of active outdoor learning	<ul style="list-style-type: none"> • KS1 and EYFS have dedicated active toys and spaces to use. • KS2 orienteering PE unit from SSP 	- (SSP Membership)	Children are active in their play due to toys such as balance bikes. KS1 and EYFS children benefit from having their own spaces and own active toys.	Balance bike training to be looked into to get better use of equipment. KS2 children to have more opportunity for outdoor adventurous activity in the local area.

Indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement.

Intent	Implementation	Cost	Impact	Sustainability/next steps
Children taking part in and achieving in sport to be publically celebrated in school	<ul style="list-style-type: none"> • Weekly celebration assemblies where children are encouraged to share participation and achievement in sport and PE both inside and outside of school. 		<p>Children celebrated feel a sense of pride in their participation/achievement and will be encouraged to continue</p> <p>Other children in the school to be inspired by achievements of their peers</p>	<p>Children will continue to be encouraged to share their sporting participation and achievement in celebration assemblies.</p> <p>A PE & sport display board in school where children can send in pictures of their participation and achievements.</p>
All KS1 & KS2 children had opportunity to compete in friendly but competitive external sporting competitions.	<ul style="list-style-type: none"> • Entering SSP competitions that encourage whole class participation in competitive events. 	(SSP Membership) £2864 – additional staffing costs for events	<p>All children experience some form of competitive sport/activity, which supports all children’s understanding of sportsmanship, fair play and respect.</p> <p>Sports leaders are developed in these events who strive to support those less confident children.</p>	<p>The same/similar events to be booked onto for the next academic year.</p> <p>Next step would be to debrief after these competitions or give student voice opportunity to understand more what the children think they learn from events such as these.</p>

<p>Themed fundraiser dash events across the year to raise money (santa dash – Christmas, sponsored hop – Easter).</p>	<ul style="list-style-type: none"> • 20 minutes out of one day near to Christmas/ Easter, children to dash/hop around the field for as long as they can to raise money. Sponsor forms sent home before the event, children wear themed items of clothing 	<p>£500</p>	<p>Money raised for school and selected charities</p> <p>Encourages more active children and children have an added reason to be more active.</p>	<p>Events have been successful and will continue for the coming year</p>
---	---	--------------------	---	--

Indicator 3: Increased confidence, knowledge and skills of all staff in teaching Physical Education and sport.

Intent	Implementation	Cost	Impact	Sustainability/next steps
<p>Staff voice to find out what areas of PE and sport require support.</p>	<ul style="list-style-type: none"> • From PE units taught, staff to outline which units they would like more support with 		<p>More confident teaching of difficult PE units</p> <p>Children to receive higher quality lessons from more informed teaching staff</p>	<p>Continued PE teaching CPD to be provided based on staff voice</p>
<p>CPD linked to staff voice</p>	<ul style="list-style-type: none"> • SSP CPD linked to responses from staff voice 	<p>(SSP Membership)</p>	<p>More confident teaching of difficult PE units</p> <p>Children to receive higher quality lessons from more informed teaching staff</p>	<p>Continued PE teaching CPD to be provided based on staff voice</p>

Indicator 4: Broader experience of a range of sports and activities offered to all pupils.

Intent	Implementation	Cost	Impact	Sustainability/next steps
<p>To ensure children have access and opportunity for sports and activities that are not so common</p>	<ul style="list-style-type: none"> • Y6 residential trip • Whole school intra Archery sessions and competition • KS2 outdoor adventurous activity (OAA) PE unit • KS1 & LKS2 local walks • New playground and field equipment: Trim trail • Y4 and Y5 block of swimming lessons (addition swimming coach) • Y6 axe throwing session • Whole school activity days completed in the summer term. 	<p>£1500 (SSP Membership & Staffing)</p> <p>(SSP Membership & Staffing)</p> <p>£2113</p> <p>£220</p> <p>£4980</p>	<p>Children experience a range of adventurous outdoor activity and experience staying away from home</p> <p>Children take part in activities that they may have never experienced or tried before which develops new skills and the opportunity to find and begin a new talent or hobby.</p> <p>Children are more active at break time and lunch times with the new trim trail in place. Core and upper body strength development</p> <p>Children get to explore their outdoor environment in school and outside of it in the local area.</p> <p>All KS2 children develop water and survival skills as well as knowledge about water safety.</p>	<p>Y6 residential trip to go ahead next year</p> <p>Potential for LKS2 night away or residential</p> <p>Swimming PE block to continue</p> <p>Swimming already booked in for Y4 and Y5 for January 2025.</p> <p>Whole school activity days were really successful and should go ahead again next academic year.</p>
<p>To ensure children have access and opportunity to a range of sports</p>	<ul style="list-style-type: none"> • Bedford Blues Foundation rugby PE units for Y3 and Y6. • PE scheme ensures a different sport is focused on each half term. 	<p>£840</p>	<p>Children benefit from specialised rugby coached sessions where individual skills are developed each week</p> <p>Children get the chance to develop a range of skills using all different techniques, rhythms and parts of the body. Children get the opportunity</p>	<p>Bedford Blues Foundation session to stay for next year for Y3 and Y6.</p> <p>Differing sports sessions to be looked into for other year groups, particularly KS1.</p>

			to thrive in different areas of PE.	Champions PE scheme to continue to ensure a new sport is taught every half term.
--	--	--	-------------------------------------	--

Indicator 5: Increased participation in competitive sport.

Intent	Implementation	Cost	Impact	Sustainability/next steps
All children to experience competitive sports events	<ul style="list-style-type: none"> KS2 interschool rounders' competition SSP multi-sports events outside of St James' (each class at least 1 per term) Sports day – competitive events for all children 	(SSP Membership)	<p>Develop understanding of what 'competition' is</p> <p>Children to develop and showcase sportsmanship, fair play and respect</p> <p>Teamwork and communication skills are really developed at events such as these</p> <p>Children experience winning and losing, and learn how to deal with this</p>	Intra-school competitions will continue and increase
High achieving children given opportunities to compete at specialised competitive events	<ul style="list-style-type: none"> KS2 Quadkids athletics competition gave opportunity to children to compete against other high achieving athletes from other schools in the area Multisport events offer opportunity to go on to wider competitions if teams achieve highly 	<p>(SSP Membership)</p> <p>(SSP Membership)</p>	<p>Children develop a healthy competitive edge and love for Physical activity and sport</p> <p>Children get to test themselves against other high achieving athletes of their age group in the area</p> <p>Children encouraged to learn from events and other competitors at the events</p>	<p>More opportunity for children who want to compete in sport</p> <p>Competitive sport fixtures will be looked into with other schools being involved (football, netball)</p>
To provide outdoor education for all, promoting active learning.	<ul style="list-style-type: none"> Forest school experience for Early Years & KS1 	£1200	Children get to explore their outdoor environment in	DHT to complete qualification and organise rota to enable all pupils to experience forest

	<ul style="list-style-type: none"> • Forest school training DHT 	£500	school and outside of it in the local area.	school across the academic year.
