

Year 2 – Coastlines

In the Coastline project, your child will use maps to learn about the location of the world's seas and oceans and keys to learn about map symbols. They will also find out about the directions on a compass. They will learn about the human and physical features of a coastline, including the effects of erosion and how to stay safe when visiting the coast. They will have the opportunity to learn about the work of the RNLI, what happened to the SS *Rohilla* and about the coastal town of Whitby. They will research the tourism industry and consider what features make a place a successful tourist destination.

English	The Twits Instructions Poetry Persuasive texts Fiction writing based on The Flower.
Maths	Money Multiplication and Division Fractions Shape (Linked with art unit) Length and Height
Science	Plants
Geography	Geography Maps, globes and atlases; World seas and oceans; Human and physical features; Locational language; Compass directions; Physical processes – erosion; Changes over time; Tourism
